15. Multidisciplinary / interdisciplinary

Faculty members were encouraged to have brainstorming sessions to discuss about the key ideology of multi-disciplinary & holistic Under Graduate education with flexible curriculum, creative

combinations of subjects, integration of job oriented courses. As our institution is an affiliated college, the course structure and the content for academic teaching-learning is designed by the affiliating university as per the UGC guidelines.

Our college is also working on the successful implementation of interdisciplinary and multidisciplinary education which will certainly facilitate our students to be more competent and employable. As our college is an coeducational institution, we have this vision earlier and has one job oriented degree course. In the coming days while we will get more clarity on how the new concept of multidisciplinary and interdisciplinary education policy gets shaped up, the academic structure of the college can be altered accordingly.

16.Academic bank of credits (ABC):

As a college affiliated to Maharshi Dayanand University Rohtak, the institution follows the curriculum stipulated by the University. The current Choice based credit Semester system (CBCS) does not have the flexibility to permit the learners to avail the benefit of multiple entries and exits during the chosen programme and hence the College is not registered under Academic Bank of Credits. Institution is planning to get registered soon under Academic Bank of Credits and is strategizing on the requirement and registration under NAD DigiLocker. The institution offers many career oriented/industry driven add on courses whose curriculum and assessment frame work is designed by the faculties. Faculties are also encouraged to design their own curricular and pedagogical approaches within the approved framework through learning management system. Students are encouraged to enrol and successfully complete courses through online platforms such as Swayam, Coursera etc.

17.Skill development:

This college has an environment of enhancing the computer IT skills among all the newly inducted students. Self defence, cooking, special trainings are provided and different workshops are also organised to develop skill among the girl students. Girl wing of NCC provides holistic growth and leadership qualities among the girl students.

18.Appropriate integration of Indian Knowledge system (teaching in Indian Language, culture, using online course)

The most suitable for communicating ideas and the institution imposes no Language restriction in classroom teaching . The students and teachers are fluent in both languages Hindi and English. Few

students are also fluent in speaking reading and writing Punjabi language. Moreover, many of the students are from rural areas having studied upto class X in Hindi medium and therefore prefer it for better understanding. Even in the online mode of teaching, faculty took extra care to ensure that the contents delivered were understood by the students . Students are allowed to write both internal and university examinations in Hindi or English according to their preference.

19.Focus on Outcome based education (OBE):Focus on Outcome based education (OBE):

The Programme Outcomes, Programme Specific Outcomes and Course Outcomes are designed as per the curriculum developed by the affiliated university and evaluated by the institution and is communicated to the students. The main motive is to develop basic life skills, vocational skills, intellectual skills and interpersonal skills. The outcome is transferred to the students through careful Analysis of the syllabus and through effective exercise of team project labs and selfcreating activities. The activities of each department is focussed on the overall skill development and the students are encouraged to involve actively in all the academic and non-academic activities inside the college. The college provides various platforms to develop the communication and interpersonal skills with the help of Debate & Oratory club, movie club, quality circle and quiz club along with NCC and NSS. The vocational skills are attained by job training, internships and entrepreneurship programs which are organised by the Departments of Economics, Commerce and B. Voc. Departments. The Centre for Gandhian Studies provides an opportunity for all the students in the college to showcase their basic vocational skills and aid them to sell their products thereby ensuring that they earn while they learn.

20.Distance education/online education:

The college has been conducting regular classroom teaching employing ICT enabled tools. The year 2020-21 forced the academic community to shift to online mode of teaching-learning due to the COVID-19 pandemic. To enable the teachers to adapt to online mode, a workshop was conducted in May 2020 'Introduction to e-connect, e-learning and e-content tools'. Following the workshop, the teachers could shift effectively to the online mode. The internet facility of the college was upgraded. G- suite platform for education was setup for the institution and training on LMS was given. FDP on moodle, in collaboration with IIT Spoken tutorial further helped the faculty to get equipped with all the advanced technologies. Lecture notes are shared among the students along with the PPTx.

1.3 - Curriculum Enrichment

1.3.1 - Institution integrates crosscutting issues relevant to Professional Ethics, Gender, Human Values, Environment and Sustainability into the Curriculum

Govt. College Meham address the above four points through teaching and learning :-

1. Professional ethics are ethics that refer to the moral rules and regulations governing the professional world. In other words, they are the moral values that guide the way corporations or other business makes decisions. Professional ethics are standards or codes of conduct set.by people in a specific profession.
2. Ethics related to a professional e.g., a manager of a factory are known as-professional ethics. Ethics may be internal or external. As regards internal ethics, a manager must be honest with oneself, since one's greatest asset is one's character.
3. Gender equality is important because it is a fundamental human right and is necessary for a peaceful, prosperous, and sustainable society.
4. Human values are the principles of good and evil, which shows a person's behavior and judgments. A person may embrace human values from society and government, religion, or self. They are derived from the family as well. Human values can be adjusted to some extent if they become a cause of pressure. Teens these days are more inclined towards seeking happiness rather than esteeming human values.

2.6 - Student Performance and Learning Outcomes

2.6.1 - Teachers and students are aware of the stated Programme and course outcomes of the Programmes offered by the institution.

Government College, Meham follows the guidelines and norms of the University with respect to offered programmes and course curriculum/syllabus. The learning outcomes of each paper are mentioned in the syllabus and are available on the University Website. The College provides the link on the website to the

University syllabus and guidelines, clearly stating the outcomes of each programme and course. The syllabus, the course outcomes, and the credits allotted to each paper are communicated during the Orientation Programmes to the first-year students. The students are also made familiar with programme outcomes through workshops, seminars, college notice boards etc. Teachers are also well communicated about the outcomes. The college deputed teachers for workshops, seminars, conferences and FDPs to enrich them to attain the outcomes while teaching learning in the classes. The Programme Specific Outcomes are closely related to the content of the syllabus and may vary as per the subject. Teachers design Lesson Plans for all the courses/subjects at the beginning of each semester to ensure learning outcomes, which are inherent in every syllabus. Every department plans and conducts all activities in light of the programme outcomes and course outcomes.

5.3.2 - Institution facilitates students' representation and engagement in various administrative, co-curricular and extracurricular activities (student council/ students representation on various bodies as per established processes and norms)

"There are two Educations. One should teach us how to make a living and the other how to live."

The part of Education that teaches us how to live is co-curricular activity. Education without co-curricular activities is like educating the mind without educating the soul. Co-curricular activities are the activities, through which our students explore his / her abilities, eradicate their weaknesses and create a broader vision of life. Now these activities have become an integral part of the curriculum policy and present day college life cannot be

imagined without ongoing debates, recitations, music competition, dance, drama etc. Our motive is to encouraging our students to learn, contribute, manage and organize individually as well as in a team.

The College is always ready to provide ample opportunities to the students in various academic, administrative and co-curricular activities to enhance decision making ability among students. Students are given active representation in various department/cells. Activities are designed in the way to explore the strengths and capabilities of the students. In the session 2020-21, department of Hindi, English, Sanskrit, Political Science and Women cell had organized various activities like Poem Recitation Competition, Debate Competition, Poster Making Competition, Self defense training etc. However, due to COVID -19 less participation was seen from students.

5.4 - Alumni Engagement

5.4.1 - There is a registered Alumni Association that contributes significantly to the development of the institution through financial and/or other support services

The concept of alumni association evolved for needs from both the ends, i.e. academicians and professionals, in the aim of building a bridge between college life and career life, so that the fresher graduates are made proactive to face the current challenges of competitive professional world. Both the ends shall work hand in hand to help each other for achieving the goal. The idea took shape and formation of Alumni Association turned into reality. The Alumni Association Government College, Meham was registered by Government College, Meham, (Rohtak) in 2019 with registration number HR14/2019/02872 and email id alumnigcmeham@gmail.com. A President, Voice President, Secretary, Treasurer and 14 Members were elected to form this association. The process has been initiated to open a bank account for the association. Apart from this, the first Annual Alumni meet was organized on 26th July 2015, Second on 7th July 2019 and the third was on 28th June 2020. Third Alumni meet was held online in which alumni students participated and various issues of the institution and experiences were discussed. In future, efforts will also be made to increase the number of members in the Alumni Association. Presently, the Alumni Association has 78 members. During the year 2020-21, no contribution of rupees was made by the members of the Alumni Association.

GOVERNANCE, LEADERSHIP AND MANAGEMENT

6.1 - Institutional Vision and Leadership

6.1.1 - The governance of the institution is reflective of and in tune with the vision and mission of the institution

Vision and mission of the college is reflected in its governance policies. The institution practices a system of governance that is secular in nature while striving to foster a general ambience of mutual respect, through participative management. Principal is the Head of the Academic and Administrative operations of the college. IQAC defines the quality benchmarks to improve the efficacy of the functioning of the college. Every quality enhancement initiative at the academic and administrative level is implemented, after discussions at various phases of execution. The Governing Body, College Council, and IQAC play an important role in framing policies and executing them. At the end of each academic year, the Principal collects feedback from the various stakeholders on academic and administrative matters. Budget estimation, department-level action plans, and college-level action plans are consolidated by the IQAC, for the upcoming academic year. The leadership of the institution interacts with other stakeholders through PTA, Alumni association, examination wing and HODs . The college council meets periodically to review the working of the institution and plans for the development of the institution.

6.1.2 - The effective leadership is visible in various institutional practices such as decentralization and participative management.

The decentralization plan of the institution has not only ensured an inclusive and participatory management system but also the seamless running of the institution with a sense of unity and respect among the various stakeholders. Although there is a clear hierarchy in place at the institution for decision-making, ideas and proposals are still solicited from the teaching and non-teaching staff, students, parents, alumni, and employers. Different academic and administrative processes have been successfully simplified by implementing a participative and decentralized management style. Organisation of state level Science Exhibition, is an example of an efficient decentralization management plan in action. Major decentralization policy adopted in the form of annual duties constitution and their implementation. In which one convenor and members were provided to complete the college tasks.

6.2.2 - The functioning of the institutional bodies is effective and efficient as visible from policies, administrative setup, appointment and service rules, procedures, etc.

Many strategies have been devised to deploy Strategic Plan efficiently, and IQAC ensured that the Development Goals would be implemented successfully.

The Principal plays a key role in establishing an accountable and effective communication between the Management/Trust the principal stakeholders (students, teachers, administrative staff, PTA, alumni). The College Council which comprises the experienced senior faculty convenes regularly to discuss any matter of importance pertaining to the day-to-day activities of the college. The IQAC plays a major role in academic and administrative matters; it constantly revalues the quality benchmarks of the institution in accordance with standards prescribed by NAAC and makes significant interventions in quality enhancement.

6.4 - Financial Management and Resource Mobilization

6.4.1 - Institution conducts internal and external financial audits regularly Enumerate the various internal and external financial audits carried out during the year with the mechanism for settling audit objections within a maximum of 200 words

The college has a designated Financial Officer 'Bursar'. The Bursar'

checks and verifies all the vouchers of the transaction with reference to the approved budget and availability of college funds. He advises the principal on financial record keeping and ensures integrity of financial accounts. The internal audit is conducted by the auditor of the Higher Education Department, Haryana. Regular monitoring by the internal financial officer-cum-auditor (Bursar') is very effective in ensuring that all financial transactions are carried out in accordance with government rules and regulations. In addition, a verification committee is appointed by the principal to examine and verify the available stock at the end of each financial year. Further, the committee recommends auction of stock items if found non operational. The cash-book is prepared regularly by the office staff and attested by Bursar' and countersigned by the Principal.

6.5 - Internal Quality Assurance System

6.5.1 - Internal Quality Assurance Cell (IQAC) has contributed significantly for institutionalizing the quality assurance strategies and processes

The IQAC has been making significant interventions in quality enhancement initiatives of the college which can be broadly categorized into two: Academic Interventions Initiative (AII) and Infrastructure Augmentation.

Academic Interventions Initiative (AII) - includes strategies and measures instituted to enhance the efficacy of the teaching-learning process, and faculty empowerment programmes. The institution adheres to the UGC/NAAC/University stipulated outcome-based blended

learning. Even before the onset of the pandemic, the college, under the aegis of the IQAC, had taken steps to supplement regular classroom teaching with ICT tools. The IQAC also considers faculty empowerment as an important area identified in the Strategic Plan.

Time to time feedback collected from all stakeholders of the teaching-learning process including teachers, students, and parents. Once the feedback is collected from respective stakeholders, necessary actions are taken and documented in the form of Action Taken Reports, maintained at the IQAC. IQAC supervises effective curriculum delivery and institutional functioning through the consolidation of the above feedback along with annual academic and administrative audits.

7.1.11 - Institution celebrates / organizes national and international commemorative days, events and festivals

Commemorative days at the national and international level are aimed at inviting focus on specific issues/events. The institution takes the initiative to organise events of diverse nature to mark the observance of such days. Programmes like extension lectures, Significant Day Celebration etc. are organised in the institution to inspire and motivate the students to imbibe the virtues of tolerance and harmony towards cultural, regional, linguistic, communal socioeconomic and other diversities. Such observances serve the purpose of reminding the students that socio-cultural diversity is a key aspect of universal citizenship. In the Indian context, observance of days of national importance such as Republic Day, Independence Day, Rashtriya Ekta Diwas, National Youth Day serve as an occasion to reinforce the ideal of national identity and integrity among the student community. These events paved an excellent platform for building a sense of community/team within the college. The celebration of regional festivals like Teej, Falgun unite the staff and students under the umbrella of cultural distinctiveness unique to the state of Haryana. The college also celebrates festivals like Holi, Dewali prompting healthy

appreciation of the cultural diversity inherent to our land. During the academic year the college observed world environment day.

7.3 - Institutional Distinctiveness

7.3.1 - Portray the performance of the Institution in one area distinctive to its priority and thrust within 200 words

Since its establishment , Govt. college Meham has combined the pursuit of academic and non-academic excellence with the inculcation of a civic consciousness. The institution's vision, mission and core values are moulded around the idea of nurturing the students into 'good citizens' and in achieving this dream our college NCC unit plays a major role. The NCC in India was formed under the National Cadet Corps Act of 1948. NCC is the largest uniformed youth organization. The motto of NCC is 'Unity and Discipline'. Our college has a strong and vibrant NCC programme which strives to develop leadership, build strength of character, comradeship, spirit of sportsmanship, a secular outlook, discipline, the spirit of adventure and ideals of selfless service among the young students of the college.

Sports is an another college distinctiveness and specially weight lifting earns many medals.

CURRICULAR ASPECTS

1.1 - Curricular Planning and Implementation

1.1.1 - The Institution ensures effective curriculum delivery through a well planned and documented process

1. Curricular Planning and Implementation

1. The Institution ensures effective curriculum delivery through a well planned and documented process

Response:

The college emphasizes on providing quality education and ensures effective curriculum delivery. The institute pursues the curriculum provided by the affiliating university i.e. MDU, Rohtak and aims at holistic development of students. Faculty members from the college have been nominated as members of Board of Studies and worked in curriculum forming committees of the university. The curriculum taught inculcates human values in students and sensitizes them towards environmental and gender issues. The institution ensures effective curriculum delivery through a well-planned system.

ACADEMIC CALENDER

- It is provided by the affiliating university at the commencement of every session.
- The college streamlines its academic process by preparing its own schedule of activities accordingly.

ASSESSMENT OF ATTAINMENT OF LEARNING OBJECTIVES

- Formative assessment is done to assess the level of learning of the students.
- Extra classes are conducted for slow learners.
- Students prepare assignments and give presentations.
- Internal assessment is done on the basis of tests and assignments.
- Final assessment is done through university examinations.

LESSON PLAN

- Faculty members prepare lesson plans for their respective subjects to ensure effective delivery of the curriculum.

1.1.2 - The institution adheres to the academic calendar including for the conduct of Continuous Internal Evaluation (CIE)

1.1.2 The institution adheres to the academic calendar including for the conduct of CIE.

Response:

It is the continuous endeavour of the college provides quality education to the students. The affiliating university provides academic calendar at the beginning of every session which clearly delineates a schedule of teaching, examination, semester break and vacations and it is strictly followed by the college to ensure smooth and efficient functioning of its teaching and administrative process. The college adheres to this calendar and plans its activities accordingly.

- For smooth implementation of academic calendar, the teachers prepare their schedule of teaching, class tests and assignments in accordance with their allotted time table and the students are informed well in time about the deadline for submission of assignment, dates for class tests and presentations etc.
- The Mentor-Mentee period is specially created to supplement the students with extra-curricular support.
- The college calendar is a testament of different arenas in which our students contribute enthusiastically and excel. It provides a space for college events like Annual Sports Meet, Talent Hunt Program, Falguni Utsav hence providing balanced education with all round development of students.

1.3 - Curriculum Enrichment

1.3.1 - Institution integrates crosscutting issues relevant to Professional Ethics, Gender, Human Values, Environment and Sustainability into the Curriculum

Govt. College Meham address the above four points through teaching and learning :-

1. Professional ethics are ethics that refer to the moral rules and regulations governing the professional world. In other words, they are the moral values that guide the way corporations or other business makes decisions. Professional ethics are standards or codes of conduct set by people in a specific profession.
2. Ethics related to a professional e.g., a manager of a factory are known as professional ethics. Ethics may be internal or external. As regards internal ethics, a manager must be honest with oneself, since one's greatest asset is one's character.
3. Gender equality is important because it is a fundamental human right and is necessary for a peaceful, prosperous,

and sustainable society.

4. Human values are the principles of good and evil, which shows a person's behavior and judgments. A person may embrace human values from society and government, religion, or self. They are derived from the family as well. Human values can be adjusted to some extent if they become a cause of pressure. Teens these days are more inclined towards seeking happiness rather than esteeming human values.

Result display.

Interaction with students regarding their internal assesement.

The method of internal assessment helps the teachers to evaluate the students more appropriately.

Admissions are given purely on merit basis and the lists of merit students are displayed on Notice board. Students who are admitted for the concerned course are assessed continuously through various evaluation processes at college and University level. Continuous evaluation is made through Group Discussion, Unit

Tests, Assignments Submission, Field Visit / Field Work and Seminars Presentation. Class tests are conducted regularly as per the schedule given in academic calendar.

Schedule of Class Assessment Test & Sessional Examination and assignment is given in Academic calendar which is displayed well in advance before commencement of session. Evaluation method comprises of internal examinations held progressively during the semester and is designed to check and report the periodic performance of the student. All the records and data bank of attendance in internal Examinations, Question papers, valued answer sheets/copies, summary of marks sheets, are properly maintained by the teachers for academic monitoring/academic audit. There is complete transparency in the internal assessment for each assessment method as described below. After Valuation, marks are displayed on dates mentioned in the academic calendar by faculty members. Assessment copies are shown to the students.

2.6 - Student Performance and Learning Outcomes

2.6.1 - Teachers and students are aware of the stated Programme and course outcomes of the Programmes offered by the institution.

Government College, Meham follows the guidelines and norms of the University with respect to offered programmes and course curriculum/syllabus. The learning outcomes of each paper are mentioned in the syllabus and are available on the University Website. The College provides the link on the website to the University syllabus and guidelines, clearly stating the outcomes of each programme and course. The syllabus, the course outcomes, and the credits allotted to each paper are communicated during the Orientation Programmes to the first-year students. The students are also made familiar with programme outcomes through workshops, seminars, college notice boards etc. Teachers are also well communicated about the outcomes. The college deputed teachers for workshops, seminars, conferences and FDPs to enrich them to attain the outcomes while teaching learning in the classes. The Programme Specific Outcomes are closely related to the content of the syllabus and may vary as per the subject. Teachers design Lesson Plans for all the courses/subjects at the

beginning of each semester to ensure learning outcomes, which are inherent in every syllabus. Every department plans and conducts all activities in light of the programme outcomes and course outcomes.

2.6.2 - Attainment of Programme outcomes and course outcomes are evaluated by the institution.

College evaluates the students by 80% of total marks, and 20% marks as internal assessment by the guidelines of the university. The faculty members are also encouraged to update their subject knowledge and keep pace with changing scenarios in teaching methodology and enhance their imparting of knowledge by pursuing higher studies, participating in faculty development programs, seminars, workshops, conferences and curriculum meetings, regularly organized by various institutions/universities at State, National and International levels. The conducting of classes is planned at the beginning of each semester in the departmental meetings, wherein HODs makes the time table for preparation of courses outline and Lesson Plans for each subject in tune with the academic calendar. The Academic and the Professional achievements of the students act as a yardstick to assess the efficacy of the outcomes. On the basis of these outcomes, the students learn techniques of Goal setting, Problems Solving and decision making. It is a matter of great pride that a sufficient number of the faculty members are Alumni of this college. The Annual Report of the College reflects and provides the credentials of the attainment and evaluation of POs and COs .

4.3 - IT Infrastructure

4.3.1 - Institution frequently updates its IT facilities including Wi-Fi

The college has adequate IT facilities. IT facilities provide the necessary tools, resources, and support to enhance teaching and learning experiences, facilitate administrative processes, and promote collaboration and communication within the academic community. They contribute to the efficient operation of educational institutions in the digital age. The college has subscribed to a leased line from BSNL and FTTP connection. FTTP stands for Fiber to the Premises, which is a type of internet connection that brings high-speed fibre-optic cables directly to individual premises or buildings. The Wi-Fi modules are installed at crucial locations inside the college to make the campus Wi-Fi enabled. IT infrastructure is regularly updated to meet the various demands. The college has 18 departments and each department relates to a high-speed internet connection to facilitate academic growth. IT facilities at this college are managed by a technical support team of the computer department. And outside experts are hired on a requirement basis. These teams aid students, faculty, and staff. They address hardware and software issues, and network connectivity problems, and provide guidance on IT-related matters. Regular maintenance and upgrades of IT infrastructure ensure optimal performance and security.

5.3.2 - Institution facilitates students' representation and engagement in various administrative, co-curricular and extracurricular activities (student council/ students representation on various bodies as per established processes and norms)

"There are two Educations. One should teach us how to make a living and the other how to live."

The part of Education that teaches us how to live is co-curricular activity. Education without co-curricular activities is like educating the mind without educating the soul. Co-curricular activities are the activities, through which our students explore his / her abilities, eradicate their weaknesses and create a broader vision of life. Now these activities have become an integral part of the curriculum policy and present day

college life cannot be imagined without ongoing debates, recitations, music competition, dance, drama etc. Our motive is to encouraging our students to learn, contribute, manage and organize individually as well as in a team.

The College is always ready to provide ample opportunities to the students in various academic, administrative and co-curricular activities to enhance decision making ability among students. Students are given active representation in various department/cells. Activities are designed in the way to explore the strengths and capabilities of the students. In the session 2020-21, department of Hindi, English, Sanskrit, Political Science and Women cell had organized various activities like Poem Recitation Competition, Debate Competition, Poster Making Competition, Self defense training etc. However, due to COVID -19 less participation was seen from students.

5.4 - Alumni Engagement

5.4.1 - There is a registered Alumni Association that contributes significantly to the development of the institution through financial and/or other support services

The concept of alumni association evolved for needs from both the ends, i.e. academicians and professionals, in the aim of building a bridge between college life and career life, so that the fresher graduates are made proactive to face the current challenges of competitive professional world. Both the ends shall work hand in hand to help each other for achieving the goal. The idea took shape and formation of Alumni Association turned into reality. The Alumni Association Government College, Meham was registered by Government College, Meham, (Rohtak) in 2019 with registration number HR14/2019/02872 and email id alumnigcmeham@gmail.com. A President, Voice President, Secretary, Treasurer and 14 Members were elected to form this association. The process has been initiated to open a bank account for the association. Apart from this, the first Annual Alumni meet was organized on 26th July 2015, Second on 7th July 2019 and the third was on 28th June 2020. Third Alumni meet was held online in which alumni students participated and various issues of the institution and experiences were discussed. In future, efforts will also be made to increase the number of members in the Alumni Association. Presently, the Alumni Association has 78 members. During the year 2020-21, no contribution of rupees was made by the members of the Alumni Association.

GOVERNANCE, LEADERSHIP AND MANAGEMENT

6.1 - Institutional Vision and Leadership

6.1.1 - The governance of the institution is reflective of and in tune with the vision and mission of

the institution

Vision and mission of the college is reflected in its governance policies. The institution practices a system of governance that is secular in nature while striving to foster a general ambience of mutual respect, through participative management. Principal is the Head of the Academic and Administrative operations of the college. IQAC defines the quality benchmarks to improve the efficacy of the functioning of the college. Every quality enhancement initiative at the academic and administrative level is implemented, after discussions at various phases of execution. The Governing Body, College Council, and IQAC play an important role in framing policies and executing them. At the end of each academic year, the Principal collects feedback from the various stakeholders on academic and administrative matters. Budget estimation, department-level action plans, and college-level action plans are consolidated by the IQAC, for the upcoming academic year. The leadership of the institution interacts with other stakeholders through PTA, Alumni association, examination wing and HODs . The college council meets periodically to review the working of the institution and plans for the development of the institution.

6.1.2 - The effective leadership is visible in various institutional practices such as decentralization and participative management.

The decentralization plan of the institution has not only ensured an inclusive and participatory management system but also the seamless running of the institution with a sense of unity and respect among the various stakeholders. Although there is a clear hierarchy in place at the institution for decision-making, ideas and proposals are still solicited from the teaching and non-teaching staff, students, parents, alumni, and employers. Different academic and administrative processes have been successfully simplified by implementing a participative and decentralized management style. Organisation of state level Science Exhibition, is an example of an efficient decentralization management plan in action. Major decentralization policy adopted in the form of annual duties constitution and

their implementation. In which one convenor and members were provided to complete the college tasks.

6.2 - Strategy Development and Deployment

6.2.1 - The institutional Strategic/ perspective plan is effectively deployed

The perspective plans are created in accordance with the institution's vision and goal. The Principal compiles and consolidates the annual action plans and budget estimates. Every academic, extracurricular, and extension activity is designed and carried out with the goal of fostering social responsibility and civic awareness in the GCM fraternity members. The institution defined major areas to be addressed in terms of quality enhancement, under the umbrella title Strategic Development Goals (SDGs)

Academic Flexibility

6.2.2 - The functioning of the institutional bodies is effective and efficient as visible from policies, administrative setup, appointment and service rules, procedures, etc.

Many strategies have been devised to deploy Strategic Plan efficiently, and IQAC ensured that the Development Goals would be implemented successfully.

The Principal plays a key role in establishing an accountable and effective communication between the Management/Trust the principal stakeholders (students, teachers, administrative staff, PTA, alumni). The College Council which comprises the experienced senior faculty convenes regularly to discuss any matter of importance pertaining to the day-to-day activities of the college. The IQAC plays a major role in academic and administrative matters; it constantly revalues the quality benchmarks of the institution in accordance with standards prescribed by NAAC and makes significant interventions in quality enhancement.

6.5 - Internal Quality Assurance System

6.5.1 - Internal Quality Assurance Cell (IQAC) has contributed significantly for institutionalizing the quality assurance strategies and processes

The IQAC has been making significant interventions in quality enhancement initiatives of the college which can be broadly categorized into two: Academic Interventions Initiative (AII) and Infrastructure Augmentation.

Academic Interventions Initiative (AII) - includes strategies and

measures instituted to enhance the efficacy of the teaching-learning process, and faculty empowerment programmes. The institution adheres to the UGC/NAAC/University stipulated outcome-based blended learning. Even before the onset of the pandemic, the college, under the aegis of the IQAC, had taken steps to supplement regular classroom teaching with ICT tools. The IQAC also considers faculty empowerment as an important area identified in the Strategic Plan.

Time to time feedback collected from all stakeholders of the teaching-learning process including teachers, students, and parents. Once the feedback is collected from respective stakeholders, necessary actions are taken and documented in the form of Action Taken Reports, maintained at the IQAC. IQAC supervises effective curriculum delivery and institutional functioning through the consolidation of the above feedback along with annual academic and administrative audits.

7.3 - Institutional Distinctiveness

7.3.1 - Portray the performance of the Institution in one area distinctive to its priority and thrust within 200 words

Since its establishment , Govt. college Meham has combined the pursuit of academic and non-academic excellence with the inculcation of a civic consciousness. The institution's vision, mission and core values are moulded around the idea of nurturing the students into 'good citizens' and in achieving this dream our college NCC unit plays a major role. The NCC in India was formed under the National Cadet Corps Act of 1948. NCC is the largest uniformed youth organization. The motto of NCC is 'Unity and Discipline'. Our college has a strong and vibrant NCC programme which strives to develop leadership, build strength of character, comradeship, spirit of sportsmanship, a secular outlook,

discipline, the spirit of adventure and ideals of selfless service among the young students of the college.

Sports is an another college distinctiveness and specially weight lifting earns many medals.
