### CRITERION I – CURRICULAR ASPECTS

#### 1.1 – Curriculum Planning and Implementation

1.1.1 – Institution has the mechanism for well planned curriculum delivery and documentation. Explain in 500 words

1. At the beginning of each academic session, college prepares its proposed academic calendar, which is uploaded in the college website. The proposed academic calendar is prepared according to the notices and circulars received from the affiliating university. Students are informed about the academic calendar of the college notifying the probable teaching days, dates of internal

examinations, curricular, extension related and co-curricular activities . 2. Orientation programme is organised every year for newly admitted students to make them aware of the mechanism for curriculum delivery and implementation .

3. Based on the departmental routine, departments conduct meetings for allotment of classes and syllabus distribution among the teachers. Students are given details of teaching assignment of each teacher at the beginning of a session by the department . 4. Based on the teaching assignments allotted in the syllabus distribution, teachers prepare their "teaching plans" according to the number of lectures allotted in the university syllabus for each topic. 5. Along with the traditional teaching method teachers also uses ICT means during the lectures. 6. Monthly class tests are held after completion of a section of the syllabus and periodic review of performance of students is undertaken. 7. Mentor classes are held in departments within class routine hours for which separate attendance registers are maintained . 8. Field tours are organized by Departments of Geography and History to ensure effective implementation of the prescribed curriculum. 9. Interactive sessions with students and, sometimes with guardians are held to identify problem areas. Special care is taken to address the problems of slow learners, advanced learners and first generation learners. Social net-working sites are also used by some departments for interaction between faculty and students beyond the class hours.

2.5.2 – Reforms initiated on Continuous Internal Evaluation(CIE) system at the institutional level (250 words)

**Reforms in Continuous Internal Evaluation (CIE) System at the Institutional**

Level are as follow:- 1. Centralized Continuous Internal Evaluation System: Assessment of performance is an integral part of teaching and learning process. As a part of sound educational strategy the institution adopts Centralized Continuous Internal Evaluation (CIE) System to assess all aspects of a student's development on continuous basis throughout the year. 2. Orientation on Evaluation Process: Students are made aware of the evaluation process through the following initiatives:- • The orientation programmes at the beginning of the semester through public address system of the college for all the students. • Teaching Plan by each teacher is done and displayed on notice board and website. • Academic Calendar with CIA Exam dates • Orientation on changes and amendments in the evaluation process through Mentor-mentee meetings • Display in the College and Department Notice Board 3 Result Analysis Review Meeting: Result Analysis is done by the class tutors after every Test. Pass percentage of each course is calculated by dividing the total number of students appeared and passed in each course. The performance of the students is monitored by the Principal and the necessary feedback is given to the concerned faculty members. The Principal conducts Review Meetings department wise to give necessary feedback for the improvement of students' performance. 4 Progress Reports Parents Meetings: The institution is keen on monitoring the performance of the students and reports to the Parents. Parents or Guardians are advised to note the performance of their wards and take remedial measure if needed. Whenever necessary the tutor shall recommend the visit of the parent to the college for a discussion about the student. 5 Remedial Classes are conducted for the slow learners, absentees and the students who participate in Sports, NSS activities and Placement Interviews. This practice helps struggling learners to update their subject knowledge and helps them to catch up with their peers. 6 External examinations of three hours duration will be conducted at the end of every semester for all the theory papers and practical papers. Students should satisfy the eligibility criteria of 75 attendance in each semester to appear for University Examination. The students who have arrears are permitted to write their papers in both the semester examinations.

2.5.3 – Academic calendar prepared and adhered for conduct of Examination and other related matters (250 words)

Yes academic calendar was prepared by institution keeping in mind the academic calendar of university so that syllabus can be completed on time with executing all come curricular activities on time. The academic calendar is a very useful document, which contains the most important dates to guide the teachers and students. Our academic calendar provides important information about teaching dates, examination dates, extra co-curricular activities, semester based and annual based examinations. Before the commencement of every semester respective departments prepare a detailed study plan, assignments for the individual teachers and the number of classes allotted to each course. On the basis of this the Routine subcommittee of the Teachers' Committee prepares a detailed timetable and academic calendar for the entire semester. Finally this is distributed to the departmental teachers and the students and also made available on college Website. The effectiveness of the process is maintained through effective monitoring by the Principal. The Principal sees to it that all departments follows academic calendar. The college has a vibrant culture of instilling inquisitiveness and scientific temper among the students through a number of activities.

Institution Practices Decentralization and Participate management The institution has a practice of participate management. The college provides the better opportunity to all the participant in the decision making process, the college administrative and academic structure is in a manner to make the decision by participate arrangement. Principal is the administrative and academic Head, followed by department heads. The meetings of the department are held often consider the recommendations are sent to the principal. The principal in consultation with all department heads the final decision is arrived at. On administrative ground the Principal is followed by the Registrar and office superintendent. The college follows all such norms laid down by the Government of Haryana and the affiliated university i.e. MDU Rohtak and UGC in Academic and administrative aspects. The case study related to such Participative management is stated as follows: A) During affiliation process all departmental heads are requested to send their proposals for commencement of new courses and they are inculcated affiliation date. B) 7 days N.S.S. camp is held once in a year, the N.S.S. committee conducts a meeting to decide the place/venue, dates and that is provided as per the convenience and discussion with the principal. The responsibility rests with the N.S.S. programme officer. C) The college receive financial budget in various heads at the beginning of the year from govt and is planned with meeting with HOD for its expenditure D) The examinations are carried out periodically throughout the year The management authorities regularly undertake the review of working of the college in its Executive council meeting and working committee meeting. The Necessary guidance and directives are issued through these meetings. Periodical reviews are undertaken by the Director higher education of state. The concentration is given on the regular lectures conducted by the staff, timely completion of the syllabus, guidance for better performance in the examination and providing best possible teaching learning environment. This is attained by regular meetings of department, of the staff member conducted by the principal from time to time. The staff receives motivation and support for all the activities from the management. The participation of students in Sports, NSS, NCC, extracurricular activities is encouraged in order to attain overall development of students. The Principal and the staff takes due efforts to motivate the students in these participations. The faculties through its various committees try to motivate the students to take part in students welfare program by mean of earn and learn scheme. The cultural committees promote to the students to actively participate in competitions and debating competitions outside the college in various competitions. **Title of the Practice 1: Environmental Awareness Aims and Objectives:** The aim of the college to preserve our environment for the future generations and thus sincerely committed to sensitize its staff and student on the issue of environment. The institute conducts green audit of its campus and facilities for conservation of the environment. Strategies employed to promote environment consciousness are as under :- 1 Massive tree plantation drives are taken up annually to keep the campus remarkably green and maintenance of friendly ambience. 2 Chief guests of the various functions are also requested to plant a tree to commemorate the occasion. 3 Keeping in view the challenges and limitations of modernization, the institute has taken many sincere initiatives to make the campus eco-friendly e.g Use of solar power. 4 Persistent efforts are made for judicious and economical use of electrical energy. 5 Cleanliness programs conducted by NSS NCC and YRC from time to time. 6 Encourage to students and teachers for save papers, save water, use of dust beans etc. 7 Environmental awareness programs regarding the single use of plastics by NSS and YRC units of the college in adopted and nearby villages. 8 Rallies on the awareness of burning of garbage and waste papers so as to prevent pollution of environment, especially about the PRALI burning in adopted village. 9 Use of organic fertilizers in campus. 10 Poster making competition, slogan writing competitions are also held specifically on the environment issues. 11 students are communicated paperless communication by using emails and Whatapp. NSS volunteers participated in SBIS programme and perform Nukkad Natak, Door to door campaign to make the people aware about the Environmental Consciousness, dance, rallies etc.

**Title of the Practice 2: Women Empowerment Aims and Objectives:** The aim is to make aware the female students about their rights and other social issues. To ensure all round development of the girl students variety of activities are organised throughout the year e.g. documentary screening, paper presentation, extension lectures, Poster making etc. Frequent close interactive sessions of the senior ladies staff with the girl students in Girls' Common Room Awareness workshops on social evils like female foeticide, crime against women, Dowry etc. are conducted in the college that concern the society in general and mankind at large. In the institution almost 75 of faculty members are women, out of 2 NSS units, one is exclusively for girl students, and girl's common rooms are present in the college. The Girls are

provided safe and secure academic environment so that they can pursue their education to achieve personal and professional goals. 16 CCTV cameras has installed in various locations of the campus for security surveillance. In addition to this Gender sensitization committee against sexual harassment, Anti Ragging Cell ensures a very secure environment. Common room for girls is fully equipped with furniture, inverters, and coolers for their ease. A special cell i.e. women cell is in existence to organise activities for their development and resolving of any issue. Overall, the college is determined to empower the girl students which is the key to strengthen their participation in the decision making and hence to socio economic development.

### 7.3 – Institutional Distinctiveness

7.3.1 – Provide the details of the performance of the institution in one area distinctive to its vision, priority and thrust in not more than 500 words

The Vision, Mission and Objectives of the institution clearly points towards a value based educational system on the curriculum of the affiliating university with the combination of core values. This college recently completed its 37 years of working since its establishment in 2018 and has a strong bonding with the local people as we have Second Generation of students studying in this college. This includes a number of minorities and marginalized section of students. The college successfully implemented the semester system which was introduced by Maharishi Dayanand University Rohtak. The focus is on skill development, career oriented programs, industry - academia interaction and college have brought all these aspects under curriculum implementation and enrichment. Special attention is given to weak students especially belonging to SC,BC and minority groups. The students of Our College are not only guided to achieve excellence in the education but are thoroughly trained with the knowledge of social adaptability and environmental sustainability. We have special efforts on all students understanding the current environmental issues through its various schemes like energy conservation, waste management, rain water harvesting, sapling plantation drives and urge them to become eco-friendly citizens. College try to implement its curriculum fully as per government and university guidelines and pays special attention to perform in all arenas for distinctiveness for vision priority and thrust to make this institution excel .
