Multidisciplinary is an essential and transformative aspect of Higher Education Institutions. Embracing this approach enhances the institution's ability to address complex challenges, fosters, innovation, improves the quality of education and research, and promotes collaboration among faculty and students.HEIs can play a crucial role in shaping a better and more sustainable future for society. Our college is also working on the successful implementation of interdisciplinary and multidisciplinary education which will certainly facilitate our students to be more competent and employable. As our college is an co-educational institution, we have this vision earlier and hasone job oriented degree course. In the coming days while we will get more clarity on how the new concept of multidisciplinary and interdisciplinary education policy gets shaped up, the academic structure of the college can be altered accordingly.	

16.Academic bank of credits (ABC):
As a college affiliated to Maharshi Dayanand University Rohtak, the institution follows the curriculum stipulated by the University. The current Choice based credit Semester system (CBCS) does not have the flexibility to permit the learners to avail the benefit of multiple entries and exits during the chosen programme and hence the College is not registered under Academic Bank of Credits. Institution is planning to get registered soon under Academic Bank of Credits and is strategizing on the requirement and registration under NAD DigiLocker. The institution offers many career oriented/industry driven add on courses whose curriculum and assessment frame work is designed by the faculties. Faculties are also encouraged to design their own curricular and pedagogical approaches within the approved framework through learning management system. Students are encouraged to enrol and successfully complete courses through online platforms such as Swayam, Coursera etc.
17.Skill development:
This college has an environment of enhancing the computer IT skills among all the newly inducted students. Self defence, cooking, special trainings are provided and different workshops are also organised to develop skill among the girl students. Girl wing of NCC provides holistic growth and leadership qualities among the girl students. Special Lecture of Experts ,workshop and other activities to improve skills are organised in the campus and outdoor.
18.Appropriate integration of Indian Knowledge system (teaching in Indian Language, culture, using online course)
The most suitable for communicating ideas and the institution imposes no Language restriction in classroom teaching . The students and teachers are fluent in both languages Hindi and English. Few students are also fluent in speaking reading and writing Punjabi language. Moreover, many of the students are from rural areas having studied upto class X in Hindi medium and therefore prefer it for better understanding. Even in the online mode of teaching, faculty took extra care to ensure that the contents delivered were understood by the students . Students are allowed to write both internal and university examinations in Hindi or English according to their preference.
19.Focus on Outcome based education (OBE):Focus on Outcome based education (OBE):
The Programme Outcomes, Programme Specific Outcomes and Course

Outcomes are designed as per the curriculum developed by the affiliated university and evaluated by the institution and is communicated to the students. The main motive is to develop basic life skills, vocational skills, intellectual skills and interpersonal skills. The outcome is transferred to the students through careful Analysis of the syllabus and through effective exercise of team project labs and selfcreating activities. The activities of each department is focussed on the overall skill development and the students are encouraged to involve actively in all the academic and non-academic activities inside the college. The college provides various platforms to develop the communication and interpersonal skills with the help of Debate & Oratory club, movie club, quality circle and quiz club along with NCC and NSS. The vocational skills are attained by job training, internships and entrepreneurship programs which are organised by the Departments of Economics, Commerce and B. Voc. Departments. The Centre for Gandhian Studies provides an opportunity for all the students in the college to showcase their basic vocational skills and aid them to sell their products thereby ensuring that they earn while they learn.

Environmental Studies is a multidisciplinary subject. It employs subjects like chemistry, physics, botany, zoology etc.

Environmental Studies involves an understanding of philosophy, ethics, psychoand polscience. Laid against an ecological format, the information gleaned through the study of all these varied disciplines gives us a holistic view of the environment for sustaining life on earth on an infinite time scale.

CONCEPT OF SUSTAINABLE DEVELOPMENT has become a widely recognize goal for human society of the 21st century. The idea of sustainable development came into light in 1987 with the publication of our common future. Which firmly established sustainable development as component of international development? There are two schools of thought regarding our attitude towards Mother Nature Frontier Mentality of the throwaway Society and the Sustainable Society. The Frontier

Mentality is a human-centered view mostly believed by economists and technocrats. Accto this group, the continuation of the present trend of economic growth and techadvancement will make the earth a less crowded and less polluted place. Sustainable development is defined as the development that meets the needs of the present without compromising the ability of future generations to meet their needs. It strengthens the interdependence of human needs and environmental requirements.

2.6 - Student Performance and Learning Outcomes

2.6.1 - Teachers and students are aware of the stated Programme and course outcomes of the Programmes offered by the institution.

Government College, Meham follows the guidelines and norms of the University with respect to offered programmes and course curriculum/syllabus. The learning outcomes of each paper are mentioned in the syllabus and are available on the University Website. The College provides the link on the website to the University syllabus and guidelines, clearly stating the outcomes of each programme and course. The syllabus, the course outcomes, and the credits allotted to each paper are communicated during the Orientation Programmes to the first-year students. The students are also made familiar with programme outcomes through workshops, seminars, college notice boards etc. Teachers are also well communicated about the outcomes. The college deputed teachers for workshops, seminars, conferences and FDPs to enrich them to attain the outcomes while teaching learning in the classes. The Programme Specific Outcomes are closely related to the content of the syllabus and may vary as per the subject. Teachers design Lesson Plans for all the courses/subjects at the beginning of each semester to ensure learning outcomes, which are inherent in every syllabus. Every department plans and conducts all activities in light of the programme outcomes and course outcomes.

2.6.2 - Attainment of Programme outcomes and course outcomes are evaluated by the institution.

College evaluates the students by 80% of total marks, and 20% marks as internal assessment by the guidelines of the university. The faculty members are also encouraged to update their subject knowledge and keep pace with changing scenarios in teaching methodology and enhance their imparting of knowledge by pursuing higher studies, participating in faculty development programs, seminars, workshops, conferences and curriculum meetings, regularly organized by various institutions/universities at State, National and International levels. The conducting of classes is planned at the beginning of each semester in the departmental meetings, wherein HODs makes the time table for preparation of courses outline and Lesson Plans for each subject in tune with the academic calendar. The Academic and the Professional achievements of the students act as a yardstick to assess the efficacy of the outcomes. On the basis of these outcomes, the students learn techniques of Goal setting, Problems Solving and decision making. It is a matter of great pride that a sufficient number of the faculty members are Alumni of this college. The Annual Report of the College reflects and provides the credentials of the attainment and evaluation of POs and COs .

College, Meham has been audited and the association has its own email ID alumnigcmeham@gmail.com and bank account also. Alumni play an important role to build up and grow an institution's name by transmitting information through alumni meet. Some alumni of our college are entrepreneurs and they make their effective participation by delivering lectures and workshops through Placement cell and Women Cell to inculcate the entrepreneurial skills in our young budding entrepreneurs. A 10-days workshop on "Skill Development" has also been organized by the Women Cell from 31 August 2023 to 9 September 2023. In which our alumna student Mrs Ritu Saini, as an instructor, taught the college

students about the use and importance of different types of cosmetics, professional grooming and also given tips about home decor and interior designing. Many girl students of the college benefited from this workshop. For this workshop our alumna didn't charge any penny. Like this our alumni frequently guide our students and extend their helping hands regarding career and other problems. They frequently visit the campus and motivate students to work hard and achieve their dreams.

GOVERNANCE, LEADERSHIP AND MANAGEMENT

6.1 - Institutional Vision and Leadership

6.1.1 - The governance of the institution is reflective of and in tune with the vision and mission of the institution

Vision and mission of the college is reflected in its governance policies. The institution practices a system of governance that is secular in nature while striving to foster a general ambience of mutual respect, through participative management. Principal is the Head of the Academic and Administrative operations of the college. IQAC defines the quality benchmarks to improve the efficacy of the functioning of the college. Every quality enhancement initiative at the academic and administrative level is implemented, after discussions at various phases of execution. The Governing Body, College Council, and IQAC play an important role in framing policies and executing them. At the end of each academic year, the Principal collects feedback from the various stakeholders on academic and administrative matters. Budget estimation, department-level action plans, and college-level action plans are consolidated by the IQAC, for the upcoming academic year. The leadership of the institution interacts with other stakeholders through PTA, Alumni

association, examination wing and HODs . The college council meets periodically to review the working of the institution and plans for the development of the institution.

6.1.2 - The effective leadership is visible in various institutional practices such as decentralization and participative management.

The decentralization plan of the institution has not only ensured an inclusive and participatory management system but also the seamless running of the institution with a sense of unity and respect among the various stakeholders. Although there is a clear hierarchy in place at the institution for decision-making, ideas and proposals are still solicited from the teaching and non-teaching staff, students, parents, alumni, and employers. Different academic and administrative processes have been successfully simplified by implementing a participative and decentralized management style. Major decentralization policy adopted in the form of annual duties constitution and their implementation. In which one convenor and members were provided to complete the college tasks. Organisation of cultural event Swarmadhuri is an example of an efficient decentralization management plan in action . Where systematic procedure has been followed : 1.Appointment of Convenors 2. Constitution of committee 3. Committee wise allocation of duties. 4.Circulation of Notice 5. Rehearsals

1.3 - Curriculum Enrichment

1.3.1 - Institution integrates crosscutting issues relevant to Professional Ethics, Gender, Human Values, Environment and Sustainability into the Curriculum

Environmental Studies is a multidisciplinary subject. It employs subjects like chemistry, physics, botany, zoology etc. Environmental Studies involves an understanding of philosophy, ethics, psychoand polscience. Laid against an ecological format, the information gleaned through the study of all these varied disciplines gives us a holistic view of the environment for sustaining life on earth on an infinite time scale.

CONCEPT OF SUSTAINABLE DEVELOPMENT has become a widely recognize goal for human society of the 21st century. The idea of sustainable development came into light in 1987 with the publication of our common future. Which firmly established sustainable development as component of international development? There are two schools of thought regarding our attitude towards Mother Nature Frontier Mentality of the throwaway Society and the Sustainable Society. The Frontier Mentality is a human-centered view mostly believed by economists and technocrats. Accto this group, the continuation of the present trend of economic growth and techadvancement will make the earth a less crowded and less polluted place. Sustainable development is defined as the development that meets the needs of the present without compromising the ability of future generations to meet their needs. It strengthens the interdependence of human needs and environmental requirements.

2.6 - Student Performance and Learning Outcomes

2.6.1 - Teachers and students are aware of the stated Programme and course outcomes of the Programmes offered by the institution.

Government College, Meham follows the guidelines and norms of the University with respect to offered programmes and course curriculum/syllabus. The learning outcomes of each paper are mentioned in the syllabus and are available on the University Website. The College provides the link on the website to the University syllabus and guidelines, clearly stating the outcomes of each programme and course. The syllabus, the course outcomes, and the credits allotted to each paper are communicated during the Orientation Programmes to the first-year students. The students are also made familiar with programme outcomes through workshops, seminars, college notice boards etc. Teachers are also well communicated about the outcomes. The college deputed teachers for workshops, seminars, conferences and FDPs to enrich them to attain the outcomes while teaching learning in the classes. The Programme Specific Outcomes are closely related to the content of the syllabus and may vary as per the subject. Teachers design Lesson Plans for all the courses/subjects at the beginning of each semester to ensure learning outcomes, which are inherent in every syllabus. Every department plans and conducts all activities in light of the programme outcomes and course outcomes.

2.6.2 - Attainment of Programme outcomes and course outcomes are evaluated by the institution.

College evaluates the students by 80% of total marks, and 20% marks as internal assessment by the guidelines of the university. The faculty members are also encouraged to update their subject knowledge and keep pace with changing scenarios in teaching methodology and enhance their imparting of knowledge by pursuing higher studies, participating in faculty development programs, seminars, workshops, conferences and curriculum meetings, regularly organized by various institutions/universities at State, National and International levels. The conducting of classes is planned at the beginning of each semester in the departmental meetings, wherein HODs makes the time table for preparation of courses outline and Lesson Plans for each subject in tune with the academic calendar. The Academic and the Professional achievements of the students act as a yardstick to assess the efficacy of the outcomes. On the basis of these outcomes, the students learn techniques of Goal setting, Problems Solving and decision making. It is a matter of great pride that a sufficient number of the faculty members are Alumni of this college. The Annual Report of the College reflects and provides the credentials of the attainment and evaluation of POs and COs .

GOVERNANCE, LEADERSHIP AND MANAGEMENT

6.1 - Institutional Vision and Leadership

6.1.1 - The governance of the institution is reflective of and in tune with the vision and mission of the institution

Vision and mission of the college is reflected in its governance policies. The institution practices a system of governance that is secular in nature while striving to foster a general ambience of mutual respect, through participative management. Principal is the Head of the Academic and Administrative operations of the college. IQAC defines the quality benchmarks to improve the efficacy of the functioning of the college. Every quality enhancement initiative at the academic and administrative level is implemented, after discussions at various phases of execution. The Governing Body, College Council, and IQAC play an important role in framing policies and executing them. At the end of each academic year, the Principal collects feedback from the various stakeholders on academic and administrative matters. Budget estimation, department-level action plans, and college-level action plans are consolidated by the IQAC, for the upcoming academic year. The leadership of the institution interacts with other stakeholders through PTA, Alumni association, examination wing and HODs . The college council meets periodically to review the working of the institution and plans for the development of the institution.

6.1.2 - The effective leadership is visible in various institutional practices such as decentralization and participative management.

The decentralization plan of the institution has not only ensured an inclusive and participatory management system but also the seamless running of the institution with a sense of unity and respect among the various stakeholders. Although there is a clear hierarchy in place at the institution for decision-making, ideas and proposals are still solicited from the teaching and non-teaching staff, students, parents, alumni, and employers. Different academic and administrative processes have been successfully simplified by implementing a participative and decentralized management style. Major decentralization policy adopted in the form of annual duties constitution and their implementation. In which one convenor and members were provided to complete the college tasks. Organisation of cultural event Swarmadhuri is an example of an efficient decentralization management plan in action. Where systematic procedure has been followed : 1. Appointment of Convenors 2. Constitution of committee 3. Committeewise allocation of duties. 4. Circulation of Notice 5. Rehearsals

6.5 - Internal Quality Assurance System

6.5.1 - Internal Quality Assurance Cell (IQAC) has contributed significantly for institutionalizing the quality assurance strategies and processes

Academic Interventions Initiative (AII) - includes strategies and measures instituted to enhance the efficacy of the teaching-learning process, and faculty empowerment programmes. The institution adheres to the UGC/NAAC/University stipulated outcome-based blended learning. Even before the onset of the pandemic, the college, under the aegis of the IQAC, had taken steps to supplement regular classroom teaching with ICT tools. The IQAC also considers faculty empowerment as an important area identified in the Strategic Plan. Time to time feedback collected from all stakeholders of the teaching-learning process including teachers, students, and parents. Once the feedback is collected from respective stakeholders, necessary actions are

taken and documented in the form of Action Taken Reports, maintained at the IQAC. IQAC supervises effective curriculum delivery and institutional functioning through the consolidation of the above feedback along with annual academic and administrative audits.
